## Education

|                                                                                       |                            |
|---------------------------------------------------------------------------------------|----------------------------|
| <b>BE Electronics and Telecommunication Engg</b> , Army Institute of Technology, Pune | 2023 - Present (9.84 CGPA) |
| <b>12th Grade</b> , Kendriya Vidyalaya 1STC, Jabalpur                                 | 2021 - 2022 (90.6%)        |
| <b>10th Grade</b> , Kendriya Vidyalaya 1STC, Jabalpur                                 | 2019 - 2020 (94.8%)        |

## Technical Skills

- **Programming Languages:** C, C++, Python, JavaScript.
- **Web Development:** HTML, CSS, JavaScript, ReactJS.
- **DSA:** Arrays, Strings, Linked Lists, Stacks, Queues, Trees.
- **Databases:** MySQL.
- **Designing:** Figma, Canva.
- **Miscellaneous:** Git, GitHub, API Integration.

## Projects

- **Amazon Website Replica** [View Project](#)  
Developed a static replica of Amazon's homepage using HTML and CSS, ensuring a responsive and visually appealing interface. The project replicates the structure, layout, and styling of the original website. .  
**Tech Stack:** HTML, CSS
- **Tic-Tac-Toe Game** [View Project](#)  
Implemented an interactive two-player tic-tac-toe game with real-time validation of win conditions and a dynamic UI.  
**Tech Stack:** HTML, CSS, JavaScript
- **Rock-Paper-Scissors Game** [View Project](#)  
Developed a simple yet engaging game allowing users to play against a computer with randomized choices and score tracking.  
**Tech Stack:** HTML, CSS, JavaScript
- **Weather App (Fetch API Data)** [View Project](#)  
Fetches real-time weather data using an API, displaying temperature, humidity, and weather conditions for any searched location.  
**Tech Stack:** ReactJS, JavaScript, Fetch API, HTML, CSS

## Coding Profiles

**Leetcode:** Leetcode    **CodeStudios:** CodeStudios

## Honors & Achievements

- 5 star on Hackerrank.
- Finalist in Smart India Hackathon 2024.
- 2nd Position in PBL (Project-Based Learning).
- Extra-Curricular Activities: Played District Level Kabaddi.

## Leadership Experience

- **Joint Secretary** – Center of Excellence in AI and Robotics Club: Organized various robotics events like 'WARTECH'.
- **Vice Captain** – Rajakrishna Devraya House of AIT: Led the House in Sports, Cultural, and Technical Aakriti.

## Additional Information

- **Hobbies & Interests:** Dancing, Singing, Rubik's Cube, Football, Squash.
  - **Languages Known:** English, Hindi.
-
